| Meeting name: | HH/BHH Working Group | | |
|-------------------|----------------------|-----------|--------------------------|
| Date of meeting: | December 5, 2019 | Time: | 12-2 P.M. |
| Minutes prepared | Angelica Booker | Location: | Northern Maine General - |
| by: | | | Caribou |
| Meeting Objective | | | |

Discuss coordination of care, referrals, and current quality measures

Attendees

Aroostook Mental Health Pines Health Northern Maine General

| Notes, Decisions, Issues | | | | | |
|--------------------------|--|---------------|--|--|--|
| Topic | Discussion | Follow-up | | | |
| Coordination of Care | Attendees expressed that MOUs can be difficult to get. MaineCare team offered that Angelica keeps a list of MOU contacts and is happy to help how she can. | | | | |
| | Some Health Homes and Behavioral Health Homes have monthly or quarterly meetings where the care coordinators and the Health Home doctors discuss patients. Others also have leadership meetings, so their program has "buy-in" from the top. | | | | |
| CIPPS/Peer Support | training is, what rules peers follow, and what follow-up their peers must participate in. Asked if someone could come and speak at a working group or hold a short class for admins. | | | | |
| | CIPSS training is difficult for northern providers as it requires weekly travel and is not held in their part of the state. Attendees expressed that clients often try to use | June 11, 2020 | | | |
| | peers as transport and that if it's not tied in to their treatment plan goals they're told they're not able to. | | | | |

| Other | There was concern among attendees that there can | MaineCare staff |
|--------------|---|-------------------------------|
| | be a wait of over a year for children's section 28 | will bring this |
| | services and that in the meantime these children are | to management |
| | having to be put into residential care. | |
| | | |
| | Attendees also expressed that children's BHH | |
| | service rates do not factor in that there are far more | |
| | high-needs children than adults. They felt that | |
| | because of this there is not as much of a "balance" | |
| | between low and high-needs clients, as there is in adult BHH. | |
| | | Kaley to follow up with KEPRO |
| | Questions about F88 code (for developmental | |
| | delays) and if Kepro is approving for children under | concerning F |
| | the age of five. | codes |
| | Follow-up | |
| | • F88- Other Disorders of Psychological | |
| | Development is a code that can be used for | |
| | BHH children. | |
| | • F69 - Unspecified Disorder of Adults with | |
| | Personality and Behavior cannot be used | |
| | for BHH adults. | |
| Next Meeting | Pines volunteered to host the next meeting at Carey | Next meeting |
| | Medical Center with a light lunch. | TBD (late |
| | | Summer) due to COVID-19. |
| | Attendees suggested holding as late into March as | |
| | possible to avoid weather issues. | |
